A bare area is understood to mean only the rental of the ground: there are no partition walls between stands, nor is the supply of the electrical panel provided.

Each space is supplied with the required electrical supply, but the exhibitor must install the switchboard or use a fitter.

It is compulsory for each exhibitor requesting the bare area to have carpeting placed on the floor.

4. SECURITY IN THE FAIR AREA AGAINST ROBBERIES – RESPONSIBILITY FOR THEFT AND DAMAGES – DISCLAIMER FIERA DEL LEVANTE AND ORGANIZER– ALL RISKS INSURANCE EXTENSION

During Fair opening hours, the Exhibitor is required to supervise his stand with dedicated staff.

During the assembling and disassembling phases the Exhibitor is responsible for the materials, goods and furniture elements of his area, as well. Fiera del Levante and the Organizer are exempted from every responsibility in case of damage and/or robbery, even if a continuous night and day security service for the entire duration of the Fair and the assembling and disassembling periods, is provided.

Moreover, the Exhibitor is responsible towards Fiera del Levante for direct and/or indirect damages which could be attributed to him for any reason (including damages caused during the assembling or disassembling phases).

As responsible for his goods safekeeping, the Exhibitor holds harmless both essentially and processually Fiera del Levante and the Organizer, keeping them free from any loss, damage or responsibility (including legal fees), consequent to the use of the stand or the assigned area.

Otherwise, the Exhibitor benefits from the following insurances taken out by the Organizer (included in the participation fee):

- All Risk Insurance – Storage (including Fire and theft insurance)

All the goods present inside the stand (furniture, installation, equipment and goods) will be guaranteed up to the amounts indicated in the policy against all direct and material damages. Dexterity thefts (that is to say thefts committed during the Fair opening hours in presence of the staff in each stand) are also guaranteed, up to a maximum amount of € 500,00 for each single Exhibitor, with a lower threshold of € 100,00 for each claim. Shortfalls noticed after the end of the Exhibition, damages caused by acts of terrorism during the storage, failures of any kind, assembling and disassembling of machineries, electronic systems and equipment are not included.

- All Risk Insurance – Transportation

This insurance is meant to be valid from the moment when the goods leave the Exhibitor's storehouse and/or depot, continues during the journey and ends with the delivery back to the company. The insurance applies also during the return journey, only in case the goods be correctly packaged.

- Exhibitor's Third party civil responsibility

The above mentioned insurance covers are regulated by the conditions and limitations that the Exhibitor can claim to the Organizer, and that will be reported in the technical form available at the Organizer office or on the website.

5. SALES OF GOODS

No retail sales are allowed in the exhibition.

6. MACRO SECTORS AND MACHINERIES

The admitted products at **ENOLIEXPO ADRIATICA** are those mentioned in the Product index, summarized in the following macro- categories:

- **AGRICULTURE:** *viticulture, olive cultivation: Plant nursery, products for vineyard treatment, machineries and tools for vineyard treatment, tools for grape harvesting, products, machinery and tools for olive groves, tools for olive harvesting, tractors, trailed and mounted machines*
- **PROCESSING TECHNOLOGY AND SERVICES FOR WINERY AND OIL MILLS:** *winemaking technology, oenology, oil production, machinery and equipment for grape and olive processing, accessories, flooring and coverings, containers and storage materials.*
- **PACKAGING, HANDLING AND LOGISTICS:** *machinery, products and services for packaging and shipping products*
- **SERVICES:** *specialized press, trade fairs, institutions, trade associations.*

There is also the **BEERTECH** sector, dedicated to the beer craft production and divided into macro-categories:

- **RAW MATERIALS:** *malt, hop and yeasts*
- **TRANSFORMATION TECHNOLOGIES:** *plants for distillation, fermentation, pasteurization and filtration*
- **END-OF-LINE:** *machineries and plants for bottling, corking, capping, labelling, machineries and products for packaging*

Machineries and tools must have CE mark and comply with safety standards according to the laws.

Machineries can be put into operation but must not be dangerous for exhibitors and visitors.

Therefore, such machineries must be equipped with devices that prevent injuries, damages, gas emissions, foul odours or fluid dripping. According to the rules of Nuova Fiera del Levante, it is forbidden to bring into the Exhibition venue explosives, detonators, choking or inflammable materials or otherwise dangerous materials, without previous authorisation from competent authorities and Organiser.

Exhibitors of agricultural vehicles or other machineries containing fuel must empty tank from all kinds of fuel.

7. **RULES OF PARTICIPATION**

a. **Rules of Participation for the Exhibitor**

The Application Form is a document that regulates application to Exhibition. It must be filled in, signed and sent by email: info@enoliexpo.com or by post to Globe Trotter sas, complete with Rules and Privacy Policy.

This document constitutes an irrevocable proposal for the applicant, which will imply acceptance by the applicant of the 'General Regulations' and must be accompanied by proof of payment of the deposit.

Minimum area of stand to participate is 16 sqms, a part special requests according to space availability.

Applications forms must be delivered within 31/01/2026.

b. **Non-acceptance by the organiser**

Rejection of application by Organiser gives right to the Exhibitor to full refund of deposit.

c. **Cancellation participation by the Exhibitor**

Exhibitors who cannot participate to Exhibition due to documented inability, can request to the Organiser the cancellation the contract by sending a written request by registered mail gtrottersas@pec.it (or via mail to info@enoliexpo.com for Foreign companies) which must be delivered within 31/12/2025. In this case the whole amount of deposit will be refunded.

If cancellation is submitted after such date, participation cost must be entirely paid by Exhibitor, and Organiser has faculty to allocate exhibition area to another company. Also in case of partial cancellation of assigned stand place, in case this space cannot be allocated to another exhibitor, applicant Exhibitor must pay the whole amount of participation cost. Organiser can also decide to require compensation for other losses caused by withdrawal from participation.

In the event of a dispute or other contestation of liability, the parties will initiate a conciliation procedure. If this is not possible, the Court of Law of Ferrara will have jurisdiction on such matter.

8. **TERMS OF PAYMENT**

Application Form must be submitted together with payment of Deposit.

Rebooking or Priority Fee

A Rebooking rate (for the 2024 Exhibitors) and a Priority rate (for the new Ones) expiring on 30/04/2025, is reserved to those companies registering within this date. For exhibitors registering from 01/05/2025 (the date of arrival of the application form will be decisive), the method payment is:

Advance Paym. 20% at the Registration Balance 60% on 13/02/2026

Organiser reserves the right to accept applications submitted without payment of deposit.

Balance of participation fee must be paid within and not later than 13/02/2026.

If balance is not paid, Organiser can reject admission of exhibition materials into the exhibition venue.

During Exhibition days, Organiser delivers balance of invoices issued directly to the assigned stand.

The payment of services requested during the exhibition can be made on site.

Only upon payment of due amount, the "Exit Pass" will be given to the exhibitor, who will hand it to surveillance staff at the exit.

9. **EXHIBITION AREAS**

Exhibition areas are allocated according to product groups and, when possible, according to chronological order of applications. Exhibiting spaces will be marked by adhesive tape or lines on the ground inside the exhibition venue.

a. **Location of exhibiting spaces – Assembly**

Granting of exhibiting spaces is at sole and absolute discretion of Organiser, who will send Exhibitor a proposal for a exhibiting space that will try to comply with that requested in the Application Form, in respect with availability of spaces. For technical and organizational reasons, Organiser has the right to change (enlarge or reduce) the space requested by Exhibitor, without incurring in any liability.

Bare areas to be customized will be available for Exhibitors from 16/03/2026.

The pre-equipped areas will be ready on 18/03/2026.

The building times are from 8,00 AM up to 7,00 PM.

Sub-contracting, even for free, or subleasing of all or part of exhibition area, is strictly forbidden.

Hosting of other companies at own exhibition area is allowed only in compliance with specific co-exhibition regulations and must be previously approved by Organiser.

Organiser can decide how to use exhibition areas and stands that have not been occupied upon opening of exhibition even if they have been regularly reserved.

Any exhibition of other products not included in the Catalogue Entry Application Form, or by other manufacturer, as well as any form of advertisement made for another company, is forbidden. Any exhibition of other products not included in the Catalogue Entry Application Form, or by other manufacturer, as well as any form of advertisement made for another company, is forbidden.

b. **Return of exhibiting spaces - Dismantling**

At the end of Exhibition and not before closing time, exhibitors can remove products and materials displayed and take them out of the exhibition area, after collecting Exit Pass from Organiser.

Moving out works can take place for hand-carry items from 6,30 PM to 8,00 PM on Saturday 21/03/2026.

On the following days 22nd e 23rd March 2026 the hours for moving out materials and disassembly of stands is from 8,00 AM to 7,00 PM.

c. **Customized areas**

Customized areas for Exhibitors, who request the sole exhibition area to Organiser, must be contained within the area of exhibition space assigned. Such stands must comply with the laws regarding safety and fire prevention. Exhibitors must carry a technical compliance report for electrical system and fittings, signed by a registered technician, according to the laws C.E.I. 64/8 and 64/10.

Maximum height for stands is mt. 3 and the free sides of exhibiting spaces cannot be covered by panels exceeding 50% of side's size.

Ceiling Hanging and suspensions are not allowed.

Creation of mezzanine floors must be authorized by the organization.

In case it is necessary to use particular fittings or make changes, Organiser has faculty to approve or reject exhibitor's request.

Exhibitors requesting the sole exhibition area to Organiser must submit project of stand decoration within **09/02/2026**.

The Exhibitor may have his stand erected only after submitting the project to the Organiser and receiving approval for construction. Organiser reserves the right, in absence of project submission, to charge Exhibitor for changes or partial or complete removal of unauthorised installation which, according to Organiser's undisputable judgment, are against the rules or may affect the aesthetics of the exhibition hall or the exhibitors or the visitors.

Organiser can also provide quotations for customised installations.

Exhibitor, in compliance with art. 26 of D.Lgs. 81/08, must check technical and professional eligibility of contractors appointed and will provide detailed information on risks of workplace. Exhibitor also acknowledges understanding of the "Technical Regulations" of Nuova Fiera del Levante, accepting its contents and committing to provide a copy of such documentation to appointed contractors.

10. OTHER INFORMATION

- a. Organiser is in charge of printing and distribution of a Visitor's Guide with the list of exhibitors and exhibited products, in alphabetical order. The complete Exhibitors' catalogue will also be on the site. Organiser is not liable for incorrect information provided by Exhibitor or typing errors or layout errors.
- b. Advertising is allowed with prices decided by Organiser
- c. Any kind of advertisement outside stand space or through distribution of leaflets is forbidden.
- d. Supplies of goods can be delivered to the stands from 8,30 to 9,00 AM during the 3 Exhibition days and must be done at the presence of a member of surveillance staff. It is forbidden to take out displayed goods before end of Exhibition.
- e. Banners are allowed, as well as posters and advertisement inside own exhibition area; beams of light with advertisement projected onto ceiling or aisles are forbidden. For Exhibitors, Represented Companies and Co-exhibitors, as long as they are registered at Exhibition, advertisement is allowed only inside own exhibition space. The use of multimedia devices must not disturb neighbouring exhibitors with high volume. Copyright costs (SIAE) for use of music and video clips are to be paid by Exhibitor.
- f. Visitors and exhibitors cannot take pictures inside Exhibition, unless authorised by Organiser.

11. CANCELLATION AND INTERRUPTION

In case of unforeseen circumstances the Organizer can change the Exhibition details and, if necessary, cancel the Exhibition.

In case the Exhibition cannot be held, due to unforeseen circumstances and/or to reasons independent of the will of the Organizer (for example, but not as a complete list: war, riot, fire, strike, natural disaster, epidemic outbreak, compulsory administrative measures of the site on behalf of a competent authority with power in regard to security, temporary or permanent stop dispositions coming from the Government or other institutional bodies), the Organizer will be entitled to cancel the application forms and to refund the Exhibitors with the remaining available amounts, in proportion to the previously paid sum by every single Exhibitor, after deducting the hold costs.

This article is also applied in case of interruption of the running Exhibition.

12. AMENDMENTS TO THE REGULATION

The Organizer reserves its right to provide norms and dispositions suitable to regulate the Exhibition and the related services, by way of derogation from the present regulation.

These eventual changes have the right of compulsoriness which the Exhibitors are obliged to stick to.

In case the Exhibitor is not inclined to respect the rules required by the Organizer, the expulsion and the loss of the refund of the previously paid sums are foreseen.

13. PRIVACY

The Exhibitor authorizes the treatment of the a.m. data (as per the art. 13 of the Legislative Decree n. 196 of 30th June 2003 – Italian Law and in compliance with the art. 13 and 18 of the European Privacy Rules UE/2016/679 - DGOR) regarding security and integrity of the data, for purposes regarding the development of the Exhibition ENOLIXPO Adriatica.

- (V) contact you and/or deliver informative and promotional messages, of a commercial or other nature, advertising material and/or offers of goods and services.

Providing personal data is mandatory, however, in cases expressly required by law and/or fiscal and administrative regulations, and in that case failure to consent to the processing and transfer of the required personal data will make it impossible for the Company to fulfill the corresponding legal, administrative and/or fiscal obligations.

4. Disclosure of the data

Within the Company, the personal data may be disclosed to shareholders, members of the board of directors or other administrative body, members of the board of statutory auditors, company personnel and, in any case, to the internal and/or external Data Supervisors and Persons in charge of processing personal data designated by the Company in the performance of their duties. Personal data may be disclosed to any qualified parties that provide the Company with services essential to the purposes indicated in paragraph 1 above, including but not limited to: parent companies, subsidiaries, investees and/or affiliates suppliers; contractors, subcontractors, banks or other qualified parties that provide the Company services essential to the establishment and/or conduct of the contractual relationship with the Company (such as banks and/or parties charged to make collections and payments, enterprises and insurance companies) and/or provide for (on behalf of the company or autonomously):

- (I) the management and/or maintenance of the websites and electronic and/or Web-based instruments utilized by the Company;
- (II) the establishment and/or carrying out of an eventual contractual relationship with the Company;
- (III) the preparation of statistical and market research;
- (IV) the organization and conduct of events and exhibitions, of a promotional or other nature;
- (V) the sending of informative and/or commercial messages, of a commercial or other nature, and advertising material and/or offers of goods and services in the methods indicated in paragraph 1 above;
- (VI) legal, tax, social-security, accounting, organizational and commercial assistance;
- (VII) auditing firms.

Personal data may be transferred abroad, in conformity with current regulations, even to non-EU Member States and other countries where the Company pursues its interests.

5. Dissemination of the data

Your personal data will not be disseminated

6. Rights of the data subjects

With regard to the aforesaid processing, you may exercise your rights under Article 7 of Legislative Decree no. 196 of 30 June 2003, as transcribed below in its entirety: "Article 7 – Right to access personal data and other rights Data subjects shall have the right to obtain confirmation as to whether or not personal data concerning them exist, even if the data have not yet been recorded, and communication of such data in intelligible form.

Data subjects shall have the right to information on:

- a) the source of the personal data;
- b) the purposes and methods of processing;
- c) the logic applied when the data is processed with the use of electronic instruments;
- d) the identity of the data controller, data supervisors and the representative designated pursuant to Article 5.2;
- e) the parties or categories of parties to which the personal data can be transferred or which can gain knowledge of them as designated representatives of the State, processing officers, or processors

Data subjects shall have the right to obtain:

- a) the updating, correction or, when they are interested, additions to the data;
- b) the cancellation, transformation into anonymous form, or blocking of data processed in violation of law, including those that need not be retained for the purposes for which the data were collected or subsequently processed.
- c) certification that the parties to which the data have been transferred or disseminated have been notified of the operations specified in points a) and b), also regarding their content, except for the case where notification proves impossible or requires the use of means clearly disproportionate to the right being protected.

Data subjects shall have the right to oppose, wholly or in part:

- a) for legitimate reasons the processing of their personal data even when it pertains to the purpose of collection;
- b) the processing of their personal data for the purpose of sending advertising or direct marketing material or to conduct market research or commercial communication surveys."

7. Data Controller and Data Supervisor

The Data Controller is Globe Trotter Sas, with head offices at Via M. Majocchi Plattis, 5C – Ferrara. Any request relative to the personal data processed by the Company may therefore be addressed to the Data Supervisor at the registered offices of the Company or by writing to the e- mail address privacy@gtrotter.it.
